Attorney Docket No. 2004-0088-07

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

Richard G. Morton

Serial No.: 10/684,016

Filing Date: October 10, 2003

Title: DISCHARGE LASER WITH POROUS
INSULATING LAYER COVERING
ANODE DISCHARGE SURFACE

Examiner: Not yet assigned

Group Art Unit: 2828

REQUEST FOR CORRECTION OF FILING RECEIPTOffice of Initial Patent Examination
Filing Receipt Corrections
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attached is a copy of the Official Filing Receipt received from the U.S. Patent and Trademark Office in the above-identified application for which issuance of a corrected filing receipt is respectfully requested. A marked up copy of the Filing Receipt showing the correction requested is included herewith.

Please correct the Title to read:

Discharge laser with porous insulating layer covering anode discharge surface

The Commissioner is hereby authorized to charge any fees which may be required by this paper, or to credit any overpayment to Deposit Account No. 03-4060.

Respectfully submitted,

William C. Cray; Reg. No. 27,627

FILING RECEIPT

OC000000014116227

Date Mailed: 10/18/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Foreign Applications

If Required, Foreign Filing License Granted: 10/17/2004

The country code and number of your priority application, to be used for filing abroad under the Paris Convention, is **US10/684,016**

Projected Publication Date: 01/27/2005

Non-Publication Request: No

Early Publication Request: No

Title

Discharge laser with porous ^{insulating} layer covering anode discharge surface

Preliminary Class

372

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
